COVID-19 Update

27 Total Cases Reported, Aggregate Data Updated

FAYETTEVILLE – Cumberland County now has **27** positive COVID-19 cases, according to Health Director Dr. Jennifer Green.

Demographic data for the 27 cases is available on the County’s COVID-19 webpage at co.cumberland.nc.us/covid19. The information will be updated each evening before 6 p.m. on the website.

“We are seeing the number of cases grow in our county and we want to urge citizens to follow the Governor’s Executive Order to stay home and follow the other preventive measures we’ve all come to know so well. Please do your part to protect yourself and others,” Green said.
