COVID-19 Update **County Has 356 Positive Cases**

FAYETTEVILLE – The Department of Public Health reports there are 356 total positive COVID-19 cases involving Cumberland County residents, an increase of 14 since Wednesday. Nine residents have died from complications associated with the coronavirus.

County Operational Changes

Under operational reductions implemented April 17, most County offices will be closed Friday, May 8, and unable to answer telephone calls and emails. Friday hours will resume on May 15.

County departments are available to the public by telephone and email. A list of operational changes due to COVID-19 is available at co.cumberland.nc.us/COVID19closures.

The County has not set a date for re-opening County buildings to the public.

Staying Updated

Cumberland County has made it easy for you to stay updated on the latest information about COVID-19. You can visit our [COVID-19 webpage](#), which has a list of COVID-19-related [closures and service changes](#).

The county is also sharing important information on its [Facebook](#), [Twitter](#) and [Instagram](#) accounts.
