

Town of Stedman

Dear Stedman Residents,

The Town of Stedman has participated in a recycle program for several years. Many of you have participated in this program and for that we are thankful. Unfortunately, due to circumstances beyond the Town's control, we will be ending the recycle program as of December 31, 2020.

For those who are still wanting to recycle, the Hubbard Container Site located on Wade-Stedman Road, will take certain items for recycling. You may get more information about the items the site will accept at www.co.cumberland.nc.us/departments/sokid-waste-management/container-sites-info. The phone number is 910-486-6837.

Trash will now be collected on **Tuesdays and Thursdays beginning January 5, 2021**. In order to make the transition easier, half of the town will be collected on Tuesday and half on Thursday. (please see list below to ensure your trash is collected). **THIS WILL BE BAGGED TRASH ONLY.**
