BUSINESS DISCUSSED

- a. Update Status of Stedman Concession Stand with Cumberland County Parks and Recreation Department – The Cumberland County Parks and Rec Department presented information to the Town regarding the status of the proposed concession stand. Multiple redesign factors have impeded progress to this point. There was discussion between Parks & Rec, the Mayor and Commissioners and a member of the Athletic Association regarding the proposed floor plan of the concession building. Suggestions were made to decrease/move the layout of the mechanical room in order to increase storage and prep space. The changes will also include additional windows along the front of the building. The new building will not be ready to open for the start of baseball season due to these additional changes, but will hopefully be complete by June or July of 2020. The Mayor/Commissioners agreed to the proposed changes and the Mayor will sign off on the redesign as soon as available.

ADJOURNMENT

A motion was made by Commissioner Mosley and seconded by Commissioner Stewart to adjourn the January 16, 2020 Special Meeting at 7:03pm.
