Everyone felt there was a good response to the survey and the top 8 requested options were ranked according to preference.
- b. Consider Cumberland County Parks and Recreation FY19 Budget Items – There was conversation concerning a letter that was sent to the Mayor from Tracy Jackson who is the Assistant County Manager for Cumberland County. They are requesting the Town of Stedman submit a list of proposed Parks and Recreation projects to be considered for the Fiscal Year 2019 Budget. This list should include a brief project description, a cost estimate for the project and a priority level ranking from high to low. The proposed budget request should also have board approval prior to submittal. Using information gathered from the Town feedback survey, the Stedman Athletic Association and other sources, the Mayor and the Board of Commissioners devised the following list of projects to submit to the office of the County Manager for consideration and approval.
